

# Tivere Frederick IDORO

Software Engineering Intern

✉ [tivereidoro@yahoo.com](mailto:tivereidoro@yahoo.com) ☎ +2348134711972 🏠 Benin City, Nigeria 🌐 [github.com/tivereidoro](https://github.com/tivereidoro)

## SUMMARY

Promising software engineer who is an ardent learner and solutions provider. Knowledgeable in user interface, testing, and debugging processes. Proficient in an assortment of technologies, including HTML5, CSS3, SASS, JavaScript, C, SQL, Python. Able to effectively take initiative and be proactive during projects, as well as collaborate in a team setting. Ready to apply my passion for coding to a talented engineering team to develop quality solutions and products.

## WORK EXPERIENCE

### Web Development Intern @ Edo Innovates, Benin City.

April 2022 - September 2022 // Benin City, Nigeria

- Designed and developed responsive web pages, landing pages and frontend clones.
- Created and developed semantic and accessible websites with HTML.
- Collaborated with web designers to implement and develop web pages.
- Contributed extensively to building multiple landing pages for clients.
- Collaborated with a small team of student designers to spearhead a new project.
- Architected and implemented the front-end of an AMS project.

### Medical Laboratory Intern @ CERHI Laboratory, UNIBEN

January - August 2022 // Benin City, Nigeria

- Successfully assisted in completing a PhD research work on Pre-eclampsia by performing ELISA test on 100+ serum samples.
- Performed laboratory tests and analysis for 30 serum samples.
- Successfully setup, calibrated, and operated several state of the art Laboratory Equipment and their techniques, including ELISA machine, Chemistry semi-analyser, 5-part hematology auto-analyser, etc.

- |                                  |   |                      |
|----------------------------------|---|----------------------|
| ▸ Software Engineering (In view) | - | ALX Africa           |
| ▸ Web Development                | - | Udacity              |
| ▸ Full Stack Web Development     | - | I4G x Zuri Team Inc. |
| ▸ Award of Excellent Leadership  | - | BSF UNIBEN/UBTH      |

## REFERENCE

Available on request.

## EDUCATION

### ALX - HOLBERTON SCHOOL

2024 // Nairobi, Kenya (Remote)

Software Engineering.

### I4G x ZURI TRAINING

2022 // Nigeria

Full Stack Development

### UNIVERSITY OF BENIN

2023 // Benin City, Nigeria

B.Sc.(Hons.) Science  
Laboratory Technology.

## SKILLS

### Soft skills

Excellent communication skill, team-work, problem-solving, positive collaboration, grit, creativity, adaptability, time management, leadership, and keen willingness to learn and apply.

### Tools & Technologies

HTML, CSS, JavaScript, C, Python, MySQL, Git & Github, Linux and Windows OS, Netlify, Docker.

## LIVE PROJECTS

- Attendance Management System (AMS)

🌐 <https://attendly-ai.web.app>

Web app for managing attendance of registered students; built with HTML, CSS, bootstrap, MySQL.

- Portfolio Website

🌐 <https://teevportfolio.netlify.app>

Elegant portfolio website built with HTML, CSS, and JavaScript.

- Other projects here;

🌐 <https://github.com/tivereidoro>

## INTERESTS

Reading, travelling, drawing, video gaming, playing chess.
